Good afternoon Portfolio Show Visitor,

My name is Kaylie Kneipp and I'm a student here at PSU, currently getting ready to graduate in the fall with my Bachelors degree in film. I am looking to join a local company where I can showcase my skills and foster mutual growth for both myself and your company.

While attending film school, I have gained an immense amount of practical experience. From working in small and large teams, to meeting short turn around deadlines, and having hands on experience with high grade film equipment.

Overall, I'm a conscientious, dedicated, and dependable employee. I have a strong work ethic and I'm able to get along with my team members even in stressful situations. Through my experiences in school and employment, I have learned how to work efficiently within my assigned roles and always give 100% to the task at hand. I have a passion for creating quality content whether that be through broadcasting, film, or photography and I look forward to gaining more skills through working with you.

I'm looking forward to the opportunity to discuss with you about what assets I have that can contribute to elevating the content for your business. I have enclosed my resume and respectfully ask that you consider me for a position within your company. Please contact me if you have any questions or concerns. I can be reached at 360-952-2294 or kaylie.kneipp@gmail.com

Sincerely,
