DEAR PORTFOLIO SHOW GUEST

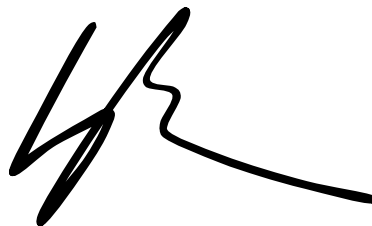

Thank you for stopping by our annual portfolio show and viewing my reel! My name is Emma Ridle, and I'm a freelance filmmaker with a Bachelor's in Film from Portland State University. My main focus is screenwriting and directing, but I also do makeup, wardrobe, and stop-motion animation. I'm set to graduate in Spring and would love to use today as an opportunity to connect!

I've always known I wanted to do something artistic with my life. I've been an avid pop culture fanatic since I could speak, and it only continued to grow with me consuming whatever media I could. I would love to continue to grow in my career with the company and use my skills and knowledge to bring a fresh perspective to the job.

Even though I'm still in school, I have a lot of experience on sets and in fast-paced work environments. One of my proudest works was getting to write an original screenplay for an Advanced Production class. But out of school, I've worked on indie sets and maintained a professional demeanor while still getting all my tasks done and helping where I was needed. I know how to stay on schedule and can make sure to always finish a job before it's due.

Thank you for your time and consideration! I look forward to hearing from you and am excited to get started! Please feel free to contact me to discuss any opportunities that might benefit from my skills and energy.

Sincerely,

EMMA RIDLE
