Dear Portfolio Show Visitor,

As I prepare to graduate from Portland State University with a Bachelor's Degree in Film, I am eager to showcase my skills and creativity to industry professionals like yourself. Throughout my time at university, I have honed my expertise in various aspects of filmmaking, including camera-work, editing, and producing. Additionally, my education has provided me with a deep understanding of film theory and historical contexts, particularly emphasizing possibilities for greater equality and diversity within the industry. As a member of the Latino community, I strongly believe in the importance of multicultural experiences in both film and life.

I have had the opportunity to work on a range of film projects, both large-scale and small-scale, which have allowed me to demonstrate my capabilities as a filmmaker across various crew roles. I invite you to explore some of my projects on my portfolio website to get a sense of the quality and style of my work.

Participating in this portfolio show marks the beginning of my journey into the professional realm of filmmaking. I am eager to contribute to the industry while feeding my own passions and interests. Thank you for reviewing my portfolio. I look forward to the opportunity to discuss how my skills and experiences may align with your needs and goals.

Sincerely,
