

CHANELLE FRENCH

FILMMAKER

Dear Portfolio Visitor,

As a film student at Portland State University, I have actively participated in projects where I gained hands-on experience with film equipment and industry-standard software. With a solid foundation in camera operation, lighting techniques, sound design, and visual effects, I am eager to contribute to the creative endeavors of your organization.

My adaptability, flexibility, and cultural competence were honed throughout my experience studying abroad in Rome. I am fluent in Spanish and I am an excellent researcher and writer. Last year, I won the Gilman scholarship and the PSU School of Film Student Essay Award. My filmmaking interests and aspirations include directing, producing, and writing. I also enjoy editing and cinematography.

I am seeking opportunities where I can contribute to collaborative media production projects and am available at your earliest convenience for an interview. I look forward to discussing how my skills and experiences align with your organization's needs.

Sincerely,

Chanelle French
